

*Want to listen in*  
on honest conversations between  
experts in the talk therapy field  
from the comfort of your own home?

Then tune in to *The Therapy Show with Lisa Mustard*, a new podcast that brings together leaders from the mental health industry to chat all things therapy related. If you are serious about staying up to date on current trends, honing your skill set, and improving outcomes for your clients, then be sure to subscribe so you never miss an episode.

*Listen* on iTunes, Stitcher or Spotify in the car, on your run, while cooking dinner or whenever you want a healthy dose of professional development, encouragement, and truth.
