Insurance

Treatment at Palmetto Lowcountry Behavioral Health is covered by most insurance plans, including Medicare and TRICARE®. At this time, all Managed Medicaid is accepted and South Carolina Medicaid can be accepted only for patients under the age of 21 and over the age of 65. Prior to admission to any of our programs, we will contact the insurance provider to verify eligibility and determine the patient's benefits. Please call if you have questions about specific eligibility. We also offer self-pay options.

How to Make a Referral

Our no-cost, comprehensive assessment services are available 24/7, 365 days a year. Direct admissions can be accommodated at any time. Our goal is to provide patients with the care they need, while making the provider referral process as easy and fast as possible.

Assessments are provided by professional master's-level Counselors. These counselors are specially trained to evaluate your client's needs and provide them with the best and most appropriate treatment options.

Information Expediting The Admission Process Includes:

- Demographics (name, DOB, SSN, address and phone number)
- Clinical information (reason for referral, medical problems, special needs, medications, current and past treatment)
- Labs for medical clearance, if available (urine analysis, urine drug screen, metabolic panels, CBC)
- Test results (if applicable and available)
- Commitment papers (if available)

We're Here To Help 24/7.
